# Consignment Management In Hospital Inventory

Bangarugiri Sateesh

ICAP-1005 Software Project
Asst. Prof. Sunil Kumar P. and Sri. Subramanian
Department of Mathematics and Computer Science
Sri Sathya Sai Institute of Higher Learning
Rise 2017

Problem Statement

- To replace current existing Visual Basic based consignment management system of Sri Sathya Sai Institute Of Medical Sciences – Whitefield with J2EE Technology.
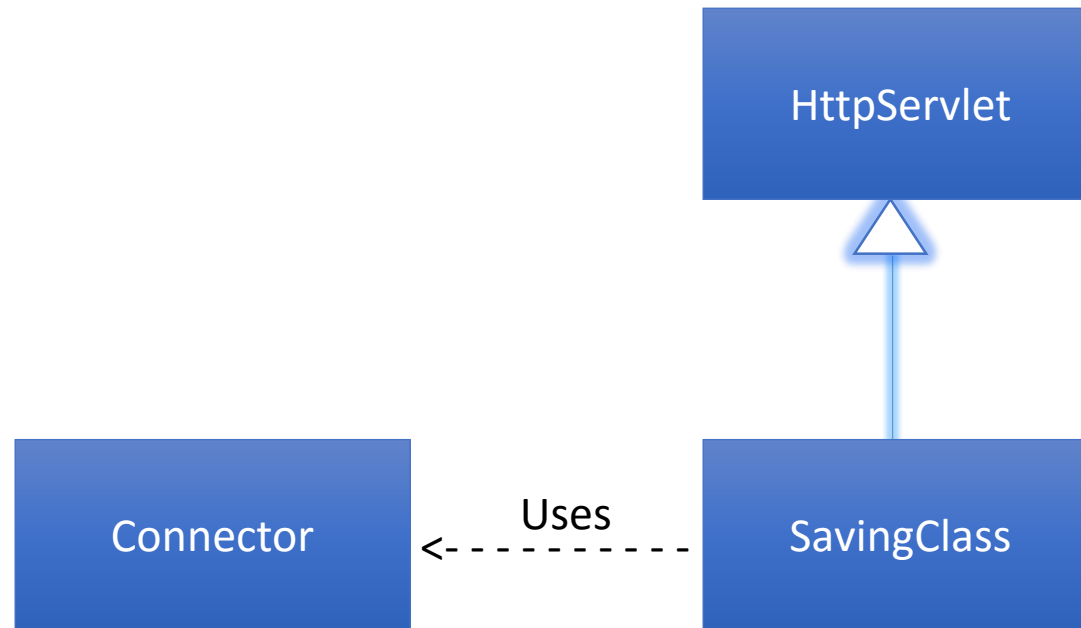

Consignment Inventory in SSSIHMS - Whitefield

Architecture

Tools And Technologies

Class Diagram

Challenges

- Learning new technologies

- Understanding hospital inventory domain

- Understanding existing system

Thank You
